

### **Something about the beach whets the appetite!**

Our food is tasty, freshly prepared and generous in portion size. Over the course of your stay you will sample a wide variety of tasty Belizean dishes, tropical fruits and vegetables and lots of seafood.

- Meals are served on the deck and menus are posted daily.
- Throughout the day, cold water, fruit juices, tea, coffee and a light snack are available for your convenience. These are part of the meal plan.
- If you have a food preference just let us know.

The bar stocks cold soft drinks, local beer and liquors and a variety of wine and imported liquors. Our bartender will whip you up a tasty and refreshing tropical drink. Run a tab and take care of it at the end of your stay.
